FFRISP probability panel: Original wording
Luth volunteer panel: Original wording
Stanford discovery: Original wording
Stanford replication: Original wording
UCSB replication: Original wording
Original problem
FFRISP probability panel: Risky-outcome order reversed
Luth volunteer panel: Risky-outcome order reversed
Stanford discovery: Risky-outcome order reversed
Stanford replication: Risky-outcome order reversed
UCSB replication: Risky-outcome order reversed
Risky-option outcome order
Luth volunteer panel: Response order reversed
Luth volunteer panel: Risky-outcome and response order reversed
Response order
Luth volunteer panel: Certain option fully stated
Luth volunteer panel: Certain option fully stated, order reversed
Stanford discovery: Balanced certain option
Stanford replication: Balanced certain option
UCSB replication: Balanced certain option
Certain-option completeness
Stanford discovery: Balanced certain option, risky-outcome order reversed
Stanford replication: Balanced certain option, risky-outcome order reversed
UCSB replication: Balanced certain option, risky-outcome order reversed
Luth volunteer panel: Certain outcome: 199 saved
Luth volunteer panel: Certain outcome: 201 saved
Certain-outcome perturbation
FFRISP probability panel: Expanded drug wording
